

公司简介 Company Profile

天津昌特净化科技有限公司以生物安全关键防护装备为主营业务，集研发、生产、工程施工、设施运维、生物安全咨询为一体的高新技术企业。研制了袋进袋出高效过滤单元、风口式高效过滤装置、密闭门、化淋系统、头罩熏蒸舱、猴隔离器等 20 多类生物安全关键防护装备。

Tianjin Changte Sci-tech Purification Co.Ltd take the biological safety key protection equipment as the main business , Set Research and development, production, engineering construction, facilities operation and maintenance, biological safety consulting as one of the high-tech enterprises, Developed Mechanical compression airtight door、Biosafety airtight pass box、Biosafety negative pressure poultry isolator 、Bag-in bag-out type HEPA filter unit、Chemical shower system, More than 20 types of biosafety critical protective equipment.

公司产品 Company Products

半开放猴负压隔离器
Semi-open Negative-pressure Isolator for Macaque

负压解剖取材台
Negative-pressure Dissection and Sampling Table

充气密封式气密门
Inflatable sealed airtight door

袋进袋出式高效空气过滤单元
Bag-in bag-out type HEPA filter unit

生物安全型禽负压隔离器
Biosafety negative pressure poultry isolator

生物安全型气密传递窗
Biosafety airtight pass box
